'Stronger Steel Market,' Veeder Says In Report

The market for steel products has become much stronger today than it was in 1961 and Granite City Steel Co. "expects to operate at a high rate of capacity during the first half of 1962," Nicholas P. Veeder, chairman of the board and president, told stockholders yesterday in the company's annual report.

"The company's backlog emphasizes the contrast with 1961," Veeder said. "We entered 1961 with comparatively few orders on the books and with no significant improvement in sight. The order backlog today is much larger."

Veeder pointed out that "the backlog of orders began to develop in mid-November, too late to have much influence on 1961." As was announced last month in a preliminary report, Granite City Steel had \$101,000 last year, or \$2.08 per share of common stock, as compared with 1960 earnings of \$121,000, or \$2.57 per share, based on the present number of shares outstanding. Net sales in 1961 were \$139,049,000 as compared with \$137,328,000 in 1960. The company shipped 973,000 tons of sheet plates and other flat rolled steel products in 1961 as compared with 960,000 tons in 1960. Veeder said the "product mix" for 1961 was not as profitable as in 1960.

Maintains Position

Although the demand for steel products was increasing and exceeded most of 1961, Veeder said, the company was able to ship more steel in every month from May onward than in the corresponding months in 1960. Shipments in the first four months can considerably behind the preceding year. Granite City Steel maintains its position as one of the largest producers of galvanized roofing and siding in the United States with 1961 shipments of galvanized products the second highest in history.

Granite City Steel's open hearth furnaces produced more steel in the last quarter of 1961 than in any single previous quarter in the company's history. Veeder said, as a result of plant improvements that have provided larger supplies of blast furnace pig iron and oxygen, the broad bar ingot production for the full year 1961 to 1,362,000 tons as compared with 1,143,000 tons in 1960.

"Much of the last quarter's

New GCHS Chemistry, Physics Laboratories

Improvements totaling \$26,842 in mathematics, science and foreign language facilities were authorized Tuesday night by the Granite City school board under the school construction and maintenance Act. Half, or \$13,471, will be reimbursed by the federal government.

Annual expenditures for materials, equipment and supplementary books of \$14,202 at Granite City high school—\$12,751 sc., \$966 language and \$485 sc. and mat.—mathematics \$8424 at the junior high school; \$1,300 science, \$1330 mathematics and \$455 language; and \$4315 at elementary schools—\$2964 mathematics and \$1351 science.

An ultra-modern chemistry laboratory will be created at GCHS, with \$4300 devoted to equipment purchases and installation.

Louized in the present physical laboratory, it will be adjacent to another chemistry laboratory which will be retained. At present, the two chemistry laboratories are separate, 1923 and 1919.

Physics Room In New Wing

The physics laboratory, dating back to 1928, will be relocated in a recently constructed GCHS wing with equipment and facilities modernized at a cost of \$2301.

Improvements to equipment, books and materials in other science areas at GCHS amount to \$320. Included will be biology, earth science, physics and chemistry.

An additional biology equipment for Coolidge Junior high school will be obtained at a cost of \$2310. Another \$4329 will be used for miscellaneous improvements to the science programs at Coolidge. Further Central junior high schools.

Contract Rejected

The board caucused privately from 10:40 p.m. to 12:15 a.m. on a contract proposal rejected by the Teachers Association. The offer was for truck drivers in the school district's maintenance program. No formal action was taken.

operations in the Quad Cities area, including the old Hyde Park Club in Venore which was closed in 1950 in a state police raid ordered by former Gov. Adlai Stevenson. Closed at the same time was the 200 Club in Madison.

Gambling casinos in which Wortman had been involved continued to do well during the 1950s in the area. The largest was the plush Club Prevue on Collinsville road, formerly the old Mounds Club. The casino operators in 1961 again faced steel companies absorbing the final round of wage and fringe benefit increases called for by present union contracts. Employment costs, he said, "are about 10% higher than in 1958 as last time steel prices were increased."

The annual report described progress in 1961 with new production units Granite City Steel installing to hold down operating costs and open new plants for its flat sheet steel products. This included:

Building a third battery of 61 coke ovens which allows the company to produce more of the coke required to fuel its blast furnaces; "blowing in" a blast furnace which, combined with recent years, can produce up to 3800 tons of pig iron a day; rebuilding an open hearth furnace to a capacity of 600 tons of steel per batch or "heat," thus making it one of the two largest steelmaking furnaces in the United States;

Installation of a 6400 H. P. Sendzimir hot strip mill to standardize to the standard 24" thin plate gauge; completion of most of the construction of a continuous annealing line for flat steel sheet; and completion of most of the construction on a second continuous galvanizing line that will make Granite City Steel one of the strongest in the nation.

The boys, who took a car belonging to the Granite City Steel employees to the standard thin plate gauge; completion of most of the construction on a second continuous galvanizing line that will make Granite City Steel one of the strongest in the nation.

After taking the car, the boys said they drove to a service station on State Pass 40 and State Route 159, where they took a razor, a watch, \$4 in cash and 22 caliber rifle shells. They also entered an Edwardsville, Illinois, gas station, battery, money from a vending machine, candy, gum and cigars.

Mrs. Marian Kirby, 40, of unincorporated Granite City Services, made a petition to have the Madison boy, who was previously under her jurisdiction, declared delinquent.

Lengthy Trial Delays Federal Court Setting

A March setting for cases to be tried in the new U.S. District Court at Alton has been postponed until April because of a delay in the trial date set by Judge Orson Poos.

Judge Poos said a case before him in district court in Springfield, Illinois, will not be delayed in time to allow the March setting at Alton as previously planned.

The Alton court district includes the Quad City area.

Charged With Firing Two Shots, Damaging Own Tavern

Three charges were filed Monday against the part-time manager of a Madison tavern after he allegedly fired two shots at him earlier in the evening and again early Tuesday. Later Tuesday morning, he turned the pistol over to the police.

Taken into custody at 3:20 p.m. for drunkenness, disorderly conduct and discharging an automatic pistol, Jerry Cook, 29, of 1201 Grand avenue, was held without bail.

Taken into custody at 3:20 p.m. for drunkenness, disorderly conduct and discharging an automatic pistol, Jerry Cook, 29, of 1201 Grand avenue, was held without bail.

A matching slug was found inside the machine.

It was noted that two men had been shot on the 12th street side of the tavern since the 12:10 investigation. Many bottles were broken, and chairs were overturned and damaged. Broken glass covered the floor, and a telephone receiver was cracked.

Burnt Pieces Show Window

First report was received shortly before noon Monday when Kosta Paleffeh, operator of Paleffeh's grocery, 1201 Grand avenue, reported finding a bullet hole in a Grand avenue window of his store.

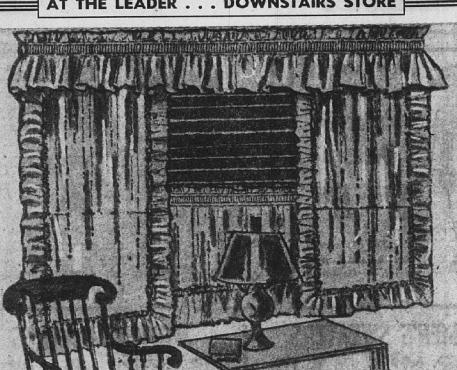

Police investigated and found a spent .38-caliber slug on the window pane beneath the window. They were unable to determine from which the shot had been fired.

At 12:10 p.m. Monday, officers were summoned to the chair where a man had been shot through the glass window of the tavern, landing on the sidewalk next to the Grand avenue side. Questioning Cook briefly, they agreed to accept a detailed report from him later.

Third Call To Tavern

After a new shift had come on duty, officers decided to return to the tavern to interview Cook. As they were preparing to leave the police station, word was received from him.

Mercer On March 7**

A Granite City man, Arlie Mercer, who was sentenced to a 30-year term in the Illinois State Penitentiary in 1958, will be paroled on March 7. Madison county men who will appear at a public parole hearing of the Illinois Parole and Pardon Board will also be present.

Merger pleaded guilty to the slaying of his former wife in 1953, and is listed as one of four definite sentence parole cases.

The other three Illinois state convicts sentenced for a parole hearing is Alexander Robinson, who was given a five-to-eight-year term in 1958 for armed robbery.

**Two Treated At Hospital
Following Falls Tuesday**

Sandra Newman, 11, daughter of Mr. and Mrs. George C. Newman of Rural Route One, Box 1228, received emergency treatment at St. Elizabeth Hospital after being injured in a fall on the ice Tuesday morning.

Her mother said the girl, a sixth grade student at Mitchell school, slipped while carrying a glass dish in the garage when she was taking the bus to school. She had x-rays at the hospital, and required several sutures to close a deep laceration to the left knee.

Also treated at the hospital Tuesday night was two-year-old Daniel Dill, son of Donald and Vickie Dill of 1411 Nineteenth street. He had three stitches closed a laceration near the left eyebrow received when he fell from his bed.

Roca Reorganizes; Will Hold Election

Roca Young Men's Club, which divided into two chapters, the black and gold, about a year ago, voted to reorganize the group into a single unit during joint meeting of the two chapters at the Moose Lodge Tuesday night.

Officers of the club will be named at a special election to be held Saturday night. Nominated for president this week were Donald Lambert, Walter Gasparovic and James Harsh. Other officers will be nominated and elected at the weekly meeting. A formal installation will be held at the Rose Bowl restaurant on March 13.

The 47-member club will also select a "Spring Sweetheart" from among 18 candidates nominated. The club will hold its annual dance at the Moose Club Saturday from 7:30 to 11:30 p.m. for members and guests.

New officers will be elected for the election of officers and a club sweetheart will begin at 6:45 p.m. at the Moose Club.

Host Agents At Meeting
Charles Gott and Bill Terrell of the Granite City Insurance Agency were hosts to agents from throughout southern Illinois last week. Agents from Springfield, Alton, Sta. short of miraculous." She received a key to the city from Mayor Leonard Davis and a gift from Harold Thomas on behalf of the foundation.

"I only have a simple 'thank you,' and will hold this occasion to my heart as long as I live," Miss Rushfeld told the gathering.

"During the 37 years I taught in Granite City 1922 to 1959, nothing gave me more pleasure than my work with the Foundation."

Describing youth as this community's "most priceless asset," she urged that all build for the future and avoid "undermining which would bring down the young people's morale and sense of security on the basis of financial need and scholarship."

Commanding all contributors to the Foundation's collections on "sheer grit," but often needed financial aid in order to continue their study,

Spangler stressed the importance of such people as Ernest Karandjeff, Miss Selma Nelson and Marion Bell.

We felt, if we could go through the first few years, it would continue to grow and become stronger," she said.

Praised Robert Edwards and a German Abenroth for encouraging major expansion of the program.

Before receiving a standing ovation, Spangler commented that "with a quest for knowledge comes greater vision, with greater vision comes educated planning and with educated planning comes a richer, fuller life."

Season Statistics For 4 Local Cage Teams

Madison's Don Freeman, Granite City's George Moore, Lincoln's Tommy Hall and Venice's Don Devany led their respective teams to victory in the local department during the regular season, final statistics showed today.

Actually, "Ima" is not the word for Madison's Trojans, who will be the last of the four local clubs to complete their schedule when they play at Belleville tomorrow night. GCHS, Venice

and Lincoln have completed the nine games and Freeman in tournament dates.

Teamwise, the Trojans are assured of finishing with the best record in the local department, having yet to be beaten in 23 games, have the best offensive average (31.1 points per game) and have held opponents to the lowest average score (52.9).

As the evening's initial speech, he recalled that Miss Rushfeld was responsible for bringing the representatives from the selection to GCHS and for establishing the Granite High World, student newspaper.

He added that she also served as chairwoman of the foundation's screening committee.

School Board President Robert Spangler described the operation of the foundation as "a real success story on the basis of financial need and scholarship."

and Lincoln have completed the nine games and Freeman in the individual average department.

Freeman, a top candidate for all-state honors, has dunked in 608 points this season to make a runaway of the individual scoring race on the local level.

Second is Venetian Don Devany with 439, and following closely is Lincoln's Robert Chavis with 414. Devany picked up his total in 21 games, and Chavis in 17 for a 24.4 game average, good for third place.

Madison Jolts Triad; Faces Belleville Tomorrow

Freeman Hits 36 In Trojan Tuneup For Regular Season Finale Friday

Madison's third-ranked Trojans kept rolling along Tuesday night as they trampled Triad's Knights 97-72 in the season's home finale for Coach Earl McLanahan's Big Game.

Once again, Don "The Elf" Freeman spearheaded the Trojan attack as he found the range for 36 points on 16 field goals and four free throws. The area's leading scorer with 608 points, Freeman has bagged 104 markers in his last three outings.

A winners of 23 games in an unbeaten season, McLanahan's players faced a solid stiff test tomorrow night when the journey to Belleville will put them in the regular season finale with the state's 15-ranked quintet.

Both teams had its ups and downs in a 19-3 season.

Included in one of the peaks was a 53-52 win over Collinsville at Belleville which put the area's winning streak for the defending state champion Kahoks. Madison defeated Belleville 78-67 in the final game of last season.

Pick Up Steam

The Trojans seemed to be just getting into high gear Tuesday night when the Knights would have been a lot closer if it hadn't been for their fourth-quarter momentum, declared Coach McLanahan.

"Mike" (real) Madison tallied 28 points in the last period and the reserves played the final three and a half minutes, being outscored 15-13.

A battle between the two team's leading scorers never materialized. Freeman, who had four more points than little trouble scoring, as his 36 points would indicate. Dennis Neumann, Triad's 6-5 ace, played well, with a game and a fourth-quarter spurt netted him 31 points.

Haynes Fools Out

Neumann, though, Freeman and Trojan Bob Haynes kept on Triad's ace most of the night. Haynes contributed 12 points before fouling out in the final period.

McClanahan's squad scored the first seven points in the third period and the Trojans were "off to the races." "Mac" started his usual tour of Freeman's bench, Terri Anderson and Mick "Hawk" Graville, but gave the nod to Ed Petty at the other basic position.

Alternating with Griggs and Calvin Jackson with Guards Graville and Petty, McLanahan showed a number of counts in the steady but valuable stretch.

First Regional Appearance

The loss was Triad's fifth in 22 games. The Knights due to an uneven enrollment are in the Vandala regional, where they are seeded third. Madison is seeded No. 1 at the River.

McClanahan's scores: Freeman 12, Haynes 12, Andrews 8, Griggs 8, Cedil Bell 2, Graville 7, Charlie Kosek 7, Jackson 6, Chuck Venarsky 5, Petty 5, Anderson 5, Graville 5 and Smith 0. Triad's scoring: Neumann 31, Lee Breckenridge 16, Dave Wells 11, Vernon Lewis 6, Ronnie Harbinson 4, Bob Haynes 2 and Otto Adammberger 2.

In the preliminary contest, Coach Bob Pinger's Indians won their 15th game, defeating Triad's junior varsity 72-71.

Price's charges have only lost four games. Cebell Bell, Lonnie Brown and Gary Skinner led the way with 18, 16 and 13

points respectively.

The following items were taken from the files of the Granite City Press-Record

Thursday, March 4, 1937

At 1:30 p.m. today, the management of the local plant of the National Enameling and Stamping Co. and representatives of Local No. 402 of the Amalgamated Association of Iron, Steel and Tin Workers reached a tentative agreement in both parties in which the company recognizes the steelworkers' organizing committee as their sole bargaining agent to all members of the union and for all other employees, excluding those belonging to the mining industry.

The agreement signed today is the result of negotiations which began immediately following the filing of a petition statement in this paper last Monday, in which the company officials stated they recognized the principle of collective bargaining.

The city of Venice was one of 18 Illinois cities with populations ranging from 50,000 to 25,000 which reported no deaths from motor vehicle accidents during 1936, according to the Sunday Bulletin issued by engineers conducting Gov. Horner's highway safety campaign.

Mrs. Ruth Pauley, daughter of Mr. and Mrs. Edward Pauley, 2218 Cleveland Blvd., will be among 20 students from William W. Mayo High School who are leaving Friday evening on a two-week educational tour to Havana, Cuba. The party will be sponsored by Dr. Harmon, president of the college, and Mrs. Harmon.

Billy W. Moore, general chairman of the \$4000 Boy Scout drive, commended the workers at their final report meeting held Tuesday night at the YMCA which raised \$3,642. About 50 workers attended the meeting.

Nearly 375 residents and their employees enjoyed a dinner Monday night at the Masonic Temple under the auspices of the Associated Retailers. It was the first employment social dinner in many years, but its tremendous success will probably make it an annual affair hopefully.

Ivy Dean of Venice has been appointed on a committee for the future monthly meetings of the Lodge of Old Fellows which, it was decided recently, will be opened to the public.

An old-fashioned birth gift had been lost a week 44 years ago, was recently recovered and found to be in excellent condition, with apparently as much "fizz" as it had the day it was given by Mrs. Marion, an Alton bottler of that day.

The prized possession is the property of Ben Jacobson, 2415 Madison Avenue, and is now at his home on Edwards Street. He obtained it from Fred Schillinger, a relative who represented the family. Edwards Street upon which the reward is located, and who recovered it a few months ago when he was cleaning rubbish from the bottom of the well.

In a special meeting of the joint committee of judges of the Amalgamated Association of Iron, Steel and Tin Workers recently, a resolution was unanimously adopted strongly endorsing President Franklin D. Roosevelt and urging the senators and congressmen from this state to support the bill to reorganize the court system.

Drainage Issue Bars New Homes

For University Faculty

The decision to open Southern Illinois University's Southwestern Campus to students in September 1964 adds to the importance of local drainage action. With additions to its sewer system barred by state order, throttling residential growth, Granite City is in poor position to attract part of the anticipated faculty of 300 to 350.

The university seems sure to have a decisive and favorable impact on the Illinois Metropolitan Area. No small aspect of this is the addition of university professors and instructors to the daily life of cities surrounding the campus. Leadership and participation in Quad-City cultural programs and civic affairs can be given considerable impetus by the school itself and by faculty members who choose homes here.

Offering many extremely attractive residential areas, this community normally would garnish a large share of the university staff members, along with such cities as Edwardsville, Collinsville, Alton and East St. Louis. To get back in the running, Granite City must act soon on drainage and pollution control.

It demonstrates further, and this is of more importance, that there are men among us who have a courage that knows no end.

However, it would seem that these City Fathers, with their energetic bohemianism, could see what this stuff costs them. We assume they pay federal income taxes, to pay for our socialized rocketry. But then, their wives come out of federal taxes. So what?

To me, this skilled rocketry is in reality skilled malfeasance. If the federal government is trying to prove something, it must be that it can be as dingly as the Russian government.

It is the personal responsibility through their scientists, did get up a super-colossal rocket a rocket so huge and powerful that men are finally set down on the moon. Is something gained?

These astronauts, hypothetically intact, find a lot of guys sitting around eating green beans and drinking beer. To narrate their narrative and the federal government institutes immediately a program of foreign aid to the people on the moon.

Well, sir, a cut in income tax would make sense, wouldn't it? The moon is in space! balloon balloons about as much sense as Chinese music.

GLAD PAYMENT FOR BASEMENT BACK-UP DAMAGE WAS VETOED

To the Editor:

I have written in the Forum during the last three or four months where quite a number of people felt that the city should pay for any damage caused by sewer back-ups in their basements either from a sewer break or from a heavy rain.

Such an argument is logical. And this is true. That you see water standing in the sewer is a sure sign that the sewer is not capable of carrying the water off as fast as it falls.

This is your God-given nature. You are a part of it. Protect your interest and welfare. Don't be influenced by the newsmonger-controlled politicians.

Voters register and vote your convictions in the primary and a general election. Don't be ashamed of your party; call for the ballot or your home.

TOTS ENDANGERED BY DOG PACKS IN COUNTY AREA, SLOW ACTION

To the Editor:

Your paper carried the story of a Persian cat killed by dogs; I wish your readers could know the rest of the story. A little girl going to bed grit-stripped and mangled body lying in its grave.

Before she can get to sleep she is rouzed by these same dogs, run and out of under her bedroom window. When she steps off the bus she may have to scoop up rocks to drive home, we beats' ass to get home.

She can't ride her bike without having to stop and drive them back when they come snapping. She has seen the post office beat them off with his mail sack.

At the attack on the cat, a call netted the information that the dogcatcher had been shot and was hospitalized and died. Owing to maladministration, tax increases, inability to cope with needs of the fast growing population, and unemployment, there has developed a chaotic and unbearable situation throughout these communities and fast spreading over the entire country.

Reorganization is the order of the day. Our present system is

undisciplined and untrained, these dogs are beginning to run wild, getting meaner and wilder. How long until you have a story headed "Tot Attacked by Dogs" — it has been a month since it happened in St. Louis county.

Reorganization is the order of the day. Our present system is

million property tax bills. The state's contribution to total U.S. income is \$6 1/2 billion—\$636 for each of the more than 10 million people. The one-year increase for Illinois is nearly 10%, or \$615 million.

With the average local family of four contributing \$2544 a year to the federal program, all of us can take pride in serving as a "sponsor" for Col. Glenn's historical page ride. Each Quad-City family's portion of the cost of Project Mercury since it began in 1958 is \$8.60.

Volter Registration

Period Nearin' End

A date of importance to Quad-Citians is Monday, March 12, the deadline to register in order to vote in the April primary election. Those not previously registered, newly reaching voting age or with name or address changes are urged to register now.

Nominations are to be made for the U.S. Senate, Congress, state offices, Illinois legislature, university trustees, court offices, party posts and Madison County offices. Victory for candidates preferred by the majority can be assured only if all exercise their duty and privilege to vote.

States Cooperating To End Inequity

In Collection Of Sales, Use Taxes

As a footnote to earlier progress by the Illinois Revenue Department in ending unfair taxing procedures in fringe areas, it is pertinent to note that the governors of Illinois, Missouri and Iowa have met and agreed on cooperative sales and tax collections. As reported by Gov. Kerner, "Competitive disadvantages present in border states are to be eliminated by the plan." In addition, he expects that it will avoid the necessity of federal intervention or control.

Purchases made in Missouri or Iowa for shipment to Illinois will have the 3 1/2% Illinois use tax added to sales in Illinois for delivery to either of the two states.

The effort to forestall federal action on such tax questions could have a successful chain-reaction effect. Along with their mutual pact, Governors Kerner, Dalton and Erbe decided to seek similar agreements with all their neighboring states.

Attention Necessary To

Maintain Balanced Diet

So many special weeks and months dot the calendar that they have long since overlapped and now result in many multiple observances. Probably one of the least known but most important is National Nutrition Month, in March which emphasizes the value of a balanced diet, including proteins, sugars, starches, fats, minerals and vitamins.

The Department of Agriculture describes teenage nutrition as a leading problem. The Institute for Nutrition Education warns that all consumers diets poor in essential food elements are subject to retarded growth and development, bad teeth, increased susceptibility to disease, fatigue, anemia, extreme cases, one of the many deficiency diseases.

Because health is so important, and nutrition has such an effect on it, the topic is vital. Special attention to eating habits is made necessary by the emphasis placed at various times on purchase of specific foods and products; balance is the keynote, and it does not occur automatically.

Zoning Hearings To Be Resumed, 3 Next Week

The final 12 hearings on a proposed zoning ordinance by the East Levee & Sanitary District will be held during a 26-day period beginning Monday, March 5. All of the hearings will begin at 8 p.m. on Monday's session for Olivet township is scheduled for the Livingston city hall. The Alhambra township hearing Tuesday, March 6, will be held at the Legion Hall, Alhambra city park, while the St. Jacob hearing Friday, March 9, will be at the St. Jacob community center.

The schedule for the following week includes Marine township, American Legion building, Diering street, on Tuesday, March 12; Edwards township, Board of Supervisors room, county courthouse, Rev. Edward T. Thaddeus March 13; and Fort Russell township, Zion Lutheran Church basement, Bethalto, Friday, March 16.

Here March 19, 27, 30

Location has not yet been announced for the six remaining hearings, to be held in Namoki township, March 19; Collierville March 20; West Granite March 21; and Fort Russell township, March 27.

The hearings will be conducted by the Zoning Committee, a seven-member representative group appointed by the county board to study the need for zoning and to submit recommendations.

A tentative zoning ordinance and related maps showing zoning lines have been prepared and are being used on the basis of information obtained by the commission. The county board will have the opportunity to make further revisions before considering the documents for final action.

Purposes of Hearings

Zoning Committee Chairman Thomas Kastner has announced two purposes of the hearings: "One, to discover by these hearings in each township any errors in the zoning map that may be shown and to make suggestions for changes and corrections; Two, to discover any errors in the text of the proposed ordinance and to recommend suggestions for improving its language or its provisions."

In unanimously adopting a county law against zoning committees, the Madison County Citizen's Planning Committee has decided to encourage attendance by zoning promoters at zoning hearings, and also to work with local civic groups to "counteract misinformation that has been disseminated" by foes of the proposal.

Prior to the committee's decision to endorse and support Butler said that "hearsay" Bradfords conducted in 10 townships have demonstrated there is an absence of understanding throughout the county as to what the planning process. This has impeded the commission's progress in carrying out its statutory function."

WASHINGTON SCHOOL
CUB PACK BANQUET

Washington school Cub Pack held its blue and gold game Saturday evening in the school gym. About 150 cubs and cubbers attended. Webelos, led by Mrs. Marge Everton, presented the colors.

Full Participation Proposed

With full participation he concluded, treatment facilities would be needed for East St. Louis.

The invocation was given by Rev. Truman Collins. Den table decorations were centered around the theme, "Parade of Presidents." Table markers included the name, Ronald Keeton, Nathan Bailey, Shirley Mayberry, served the boys and girls, who were seated on the floor before tables high.

Eating with chopsticks, the group enjoyed small hamburgers, slices of apples, cookies and cake served in small cups without spoons.

Debbie Withers gave prayer. Each one colored a Chinese lantern to take home. Those present were Fred and Wellie Jones, Brown and Slay, Mr. and Mrs. Orville Crawford, Principal Fred Noeth and Mrs. Noeth and children, Rev. and Mrs. Truman Collins and children and Frank Johnson.

Clyde Bradford presented a history and review of pack activities of the past year. Cubmaster George Brundage paid tribute to all the leaders.

Awards were presented by Brown and Slay to Hirant Ables, Billy Kee, Dennis Meyers, John Bodil, Gregory Christos, Allen Bailey, Joe Esterton, Carl Clutter, Ronald Keeton, Nathan Bailey, Shirley Mayberry, served the boys and girls, who were seated on the floor before tables high.

Entertainment for the evening was by group of musicians and visitors. Timmy Steffens, Rusty Miller, Tommy Keel and Pamela Stark.

Mothers of the pack served the meal in pot luck fashion.

Joe Biason, pack chairman, was present at a number of ceremonies and introduced the guests. Dan Brown, Dr. Kathleen Jones Primary School, Sunbeam of Second Baptist

district executive, and Mrs. Brown and Slay, Mr. and Mrs. Orville Crawford, Principal Fred Noeth and Mrs. Noeth and children, Rev. and Mrs. Truman Collins and children and Frank Johnson.

Church met Tuesday afternoon to continue their discussion of "A Kite for Billy Ching." Mrs. Betty Lewis told the final chapter of the story and led prayer.

Mrs. Lewis assisted by Mrs. Shirley Mayberry, served the boys and girls, who were seated on the floor before tables high.

Season Approaching

12 States Have More Tornadoes Than Illinois

There are many fatalities and misunderstandings about nature's most violent storm, the tornado, says Dr. Frank Bridges, associate professor of health education and coordinator of civil defense of Southern Illinois University.

With the "tornado season" fast approaching — March is an important month and the season runs through June — Dr. Bridges urges Quad-Cityans and Southern Illinoisans to familiarize themselves with tornado characteristics and ways of protecting humans in storm areas.

The country was struck in the 1920s and has had several "near misses" since then.

89 Toll Worms On Record

The violent storms according to Dr. Bridges are that tornadoes are all too well known. The worst tornado in the history of the United States struck on March 18, 1925, tearing a 219-mile path of destruction through Missouri, Illinois and Indiana. It killed 888, injured 2000 and caused property damage of \$16,000,000.

Murphyboro was 60% destroyed with 234 dead and the town hit besides Bush, West Frankfort, Parish, Holga, Hurst and Crossville.

But not all tornadoes strike in the "season." The worst tornado ever recorded through Murphyboro Dec. 18, 1957, left 10 dead there, killed five others elsewhere, and did \$3 million damage.

The country was struck in the 1920s and has had several "near misses" since then.

60 Tornado Alley

The facts, according to the U.S. Weather Bureau, are that tornadoes are more frequent in the mid-section of the state than on the maximum activity area in the north.

As a result, however, is an awesome thing and its destructive powers are tremendous.

As Dr. Bridges says, "After a storm has hit it is too late to get prepared."

Alderman Committee Report On Sewer Sought By Council

Council members urged the aldermanic Special Sewer committee Monday night to submit its report and recommendations on the Dec. 13 final report by the Citizens' Master Sewer & Drainage Committee as quickly as possible in order to avoid a direct order from the state Sanitary Water Board to construct a sewage treatment plant.

The council committee, named Jan. 2 by Mayor Davis, has recommended that the citizens' committee, to go over the citizens' recommendations for a project to include storm water and sanitary sewers, as well as pollution abatement. Other meetings are to be scheduled before the aldermanic committee.

In several meetings, the council committee has recommended minor changes in the drainage system and Citizen's Master Sewer Vesci told the council Monday night that additional information is being compiled on industrial aspects of pollution abatement.

"There is need," Alderman Estill Von Schmitz, member of the special committee, said he has been able to suggest some changes, but he reached the conclusion that we must proceed this problem and we must face the problem of what to do. That's what we were elected for."

Schmitz predicted strong demands from residents of the city with the arrival of spring and "Come April" Granite City citizens will be flooding down the streets in boats, people will want drainage and will be willing to pay. After the spring, probably we'll get all about it."

"We know pollution abatement is required, and if we don't do the job, someone else will do it and it will cost us the foot bill," Schmitz added.

Meetings Continuing

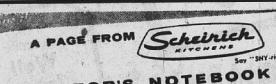

Vesci said he was planning to arrange another meeting with the citizen group. "There are many questions to be asked before we can bring a report to the council."

Alderman Walter Nonn, who met with officials of the East Side Levee & Sanitary District last week, suggested the council call upon the citizen group next week. The entire council and officials and engineers of the levee district to compare pollution abatement programs for the city.

Nonn said he was told by levee board officials that they had not agreed to allocate \$1,800,000 financial assistance to Granite City for its drainage program, and social aid said there was some doubt on that figure.

However, Alderman Donald Partney, also a member of the special sewer committee, said

Underwriters Ask Fredman Bros. To Dispose of Smoke Damaged Stock

Underwriters Salvage of Chicago asked Fredman Bros. to take over and dispose of huge furniture, appliance and carpet stock received in fire insurance claim. Felt only Fredman Bros. with 15 outlets could dispose of vast stock.

Fredman Bros. Offers All Distressed Stock at as Much as 50% Below Original Wholesale Costs

INSURANCE COMPANIES ABSORB MAJOR LOSS. Fredman Bros agreed to dispose of this giant smoke and soot damaged stock only if it could be offered at such ridiculously low prices as to guarantee its immediate and rapid disposal so that this stock would not have to be mixed with the regular inventory. Underwriters agreed and the insurance companies are taking the loss. SOOT IS THE ONLY MAJOR FAULT OF MOST OF THE STOCK. We hand picked the pieces whose only damage is soot and these CAN BE CLEANED. We have added a great deal of our PER-FECT merchandise to this stock at reduced prices so as to balance out the Distress Stock.

World Day Of Prayer At

First Presbyterian March 9

The annual World Day of Prayer, sponsored by the Quadrangular Council of Church Women, will be held at the First Presbyterian Church, Granite City Friday, March 9.

Once each year, churches around the world lift their voices to God in unison in petitions for the needy, the local sponsors report.

An offering is taken which is channeled through the Divisions of Home and Foreign Missions of the National Council of Churches, is used to help persons to fulfill their place in the world through support of colonies in Africa, India, Pakistan, Japan, Korea, Hong Kong and Taiwan; through magazines and books for children, youth and adults in the Orient; to help the blind; through Christian literature; to send to the poor; to help the deaf; through Christian education.

"Prayer is the quickest form of communication. God can take no time to respond to your prayer as far as you can form it upon your lips and heart," the sponsors commented.

Wolf badges were presented to David Sanders, Andy Vieser and Michael Kraus. Other Cub Scouts present were Phillip and Michael, Robert, Jerry Reinhardt and Grant Pellett.

Songs were led by Mrs. Patty Tondre. Others present were Mr. and Mrs. Charles Williams and Mr. and Mrs. Peletti and son, Mr. and Mrs. Reinhardt and son, Mr. and Mrs. Vieser and family, Mr. and Mrs. Kopisic and son, Mr. and Mrs. Richard Coyle, Mr. and Mrs. Kraus and family, Mr. and Mrs. Eugene Tondre and family, Mr. and Mrs. Sanders and family, Mr. and Mrs. Schwartz and family.

Red Tactics Are Topic Of PTA At Coolidge School

Clifton E. Blankenship, safety director of the A. O. Smith Corporation, was guest speaker at Coolidge junior high school Monday evening during the February meeting of the Parent-Teacher Association. "The Communists in America," was the topic of his talk, which described the history of the Communist system from the early days of Lenin to the rise of Castro's Cuba.

Traces of the way by which weak country succumbed to pro-socialist and later, Communist governments, Blankenship urged all adult Americans to reevaluate their positions and redouble their efforts against penetration by leftist-inspired movements and organizations, and to educate themselves on the "Communist blueprint for world conquest."

Later, Blankenship played a tape recording made by him which depicted American prisoners of war captured by the Communists without the use of physical violence.

A question-and-answer period followed, and Blankenship suggested that a discussion group be formed by the PTA unit to continue learning the dangers of apathy and complacency toward possible infiltration.

His talk was approved as the April program, and it will be shortly for Memphis, Tenn., where she will spend ten days training for the work.

The program was made by Mrs. Isetta Staydhar, Welcome Wagon Hostess, of the appointment of Mrs. Robert Walker as the new president of the local PTA.

A station of appreciation for the part the club took in the work of muscular dystrophy was received and the by-laws of the club were read by Mrs. Staydhar.

Mrs. Hazel Brinks was hostess for the evening and there were games and refreshments. Several prizes were awarded.

Eagles Auxiliary Enrolls Five New Members

Five candidates were accepted Friday evening at a meeting of the local Eagles Auxiliary. They were Janice Cross, Mrs. Eleanor Hadley, Mrs. Margie Hall, Mrs. Vicki Fisk and Mrs. Florence Hagnauer.

The auxiliary was initiated at the District Eight meeting to be held here March 11. Final plans also were made for the meeting.

The report was made by Mrs. Angie Buchler and her committee of a trip to the Madison County Sanitarium Feb. 20 to entertain the patients and other guests dispatched to the social hour.

Refreshments were served by Mrs. Sylvia Roy, Mrs. Frances Steinberg, Mrs. Pauline Johnson and Mrs. Juanita Bleivins to 20 members and the prize for the evening went to Mrs. Batson.

The next regular meeting of the auxiliary will be held March 13.

Two Girl Scout Troops Meet

Girl Scout Troop 145 entertained Troop Nine at a potluck supper Monday afternoon. Both Troops are sponsored by the Hilltop-Kinley school PTA and the meeting took place at the school.

The guests were Lori Foster, Linda Pulse, Linda Rees, Karen Easton, Toni Fuchs, Sue Jacobson and the leader, Mrs. Betty Ehreben.

Those of the hostess group, with their leader Mrs. Pat Kingsley, were Debra Kingsley, Brenda Johnson, Kathy Knock, Carol Englehardt, Cheryl Bates, Sharon Smith, Suzanne Brommell, Vicki Antonopoulos, Nancy Ross, Phyllis Swilley, Joyce Shepard and Cheri Fuchs.

**Wendell Sparks Dies;
Retired Metal Worker**

Wendell Sparks, 60, of 2704 Myrtle avenue, died at St. Elizabeth Hospital at 3:45 p.m. yesterday. He was a retired sheet metal worker.

Mr. Sparks was hospitalized early in January with influenza and pneumonia, later developing a heart ailment. He remained in the hospital with the exception of a few days, since that time. Born at Doe Run, Mo., he moved to Granite City in 1922 from St. Louis. He suffered a fractured leg in a accident several years ago and had been unable to work since.

Mr. Sparks, who never married, is survived by two brothers, Harry of Granite City and Will, both 40 years of age.

lian of Casperille, two sisters, Mrs. Bertha Schuster and Mrs. Ethel Brooks, both of St. Louis, and several nieces and nephews. Funeral arrangements are given in the obituary column.

Tour By Dunbar Pupils

Dunbar students made pupils of Dunbar school told the police station and other facilities of the Madison city hall Monday as part of their civics training. They were accompanied by Madames Valerie Bales, Mrs. Marycock and White Wates, teachers.

It is estimated that of more than 345,000 blind persons in the U.S., 78.5 per cent are more than 40 years of age.

**St. Louis Man Arrested
At Bridge Toll Station**

Monroe Redds, 42, of St. Louis, was arrested at the McKinley Bridge toll station on March 14. Redds, on charge of drunkenness, carrying an open bottle of liquor, carrying a concealed weapon—a paring knife—and assault.

Venice police said Redds told them he was waiting for a bus, and became disoriented when he left the bus. He was released on \$105 cash bond to appear for arraignment March 10.

All three are to record the games for later transmission, and the Alton station also plans a live FM broadcast. Supt. Harold M. Kaiser said this would affect the price of "sellout" of tickets. No remuneration to the district was specified, but board members suggested preparation and adoption of a detailed policy statement to govern broadcasts next year.

**SW Council Of Mayors
Meets At Local Depot**

Mayor Davis, retiring president, was host last night for the meeting of the Southwestern Council of Mayors at the officers' club of the Granite City Club. The council has 21 members and guests present. Mayor Stephen Maeras of Madison presented Davis with a pen and a plaque from the council as Davis turned over the presidency to Mayor Alvin Fields of East St. Louis.

Guest speaker, Steven Santini, field representative for the Illinois Municipal League, urged the mayors to send representatives to a hearing at 10 a.m. March 15 at the Bedellinian Hall, the YMCA. They were joined by county road callers by the Illinois Municipal Problems Commission. Fields pointed out at 8:40 a.m.

The mayor's council has received state recognition in having a member, John Wilkerson of Washington Park, on the commission. "Most cities have problems—big ones," Fields remarked.

Conduct Charge Filed

Anna Baron, 39, of 1727 Walnut street, was arrested Tuesday at 7:30 p.m. after being charged by Elizabeth Gasco with disorderly conduct. She was released on \$16 cash bond.

Posts \$32 Cash Bond

Charged with drunkenness and disorderly conduct was Edwin Ostrich, 37, of 1337 Edwardsville road, who posted \$32 cash bond and was released

No Driver's License
John Charles Jr., 18, of 1222 Caver street, Eagle Acres, was arrested by Venice police at 12:10 a.m. today on Market street, for driving without a license and curfew violation. He was held pending a preliminary hearing.

Use a sawed-off shotgun to scare off varmints like these. Cut the thin outer layer from broccoli stalks. If the stalks are overly long, cut a few inches from their ends and cook along with the rest of the vegetables.

When you are preparing a meat loaf out of half ground beef and half ground pork, you may use sage as one of the flavorings.

committee, and a report to the council is expected to be made in the near future.

The citizen group has revised its original combinations of financing its program with a goal to achieve the greatest degree of equity under the given conditions.

Most Equitable

"After great detail study, the committee has concluded that under the contents of sewer and sewage treatment plant construction in charge based on each use of the facility is the most equitable.

"Therefore, it is recommended that equal funds be provided by revenue bonds."

"In addition to local funds, certain other funds are available to the city. Several local areas have been approached by the trustees of the East Side Levee & Sanitary District, and assurances have been given that \$1,800,000 is available for storm water sev-

"Also, the city should lodge an application with the Department of Health, Education and Welfare for a federal grant of \$600,000 to assist in the cost of the sewage treatment plant," the committee has recommended.

LEADERS PLAN DINNER,
SALE, TEA, DISPLAYS

Girl Scout leaders, neighborhood girls, Tuesday at Emerson school, with Mrs. William Hancock, chairman, in charge of the business session. The meeting was opened with the Girl Scout pledge.

Mrs. Virgil Travis explained the direct cookie sale which will begin Friday, March 23. Cookies will be sold directly to customers instead of orders being taken.

Mrs. Walton reported on the international dinner to be held March 13 at St. Peter Evangelical and Reformed Church, 2103 Cleveland blvd. Each leader will bring a European dish and a dessert which will be furnished by the Latin American rhythm ensemble. Mrs. Edward Kessler was put in charge of buying supplies for the dinner.

Mrs. Fannie Bilbrey, chairman of the mother-daughter outing in May, suggested a fishing trip to Bellwood. A discussion was held, but nothing was decided. Refreshments were served to about 30 leaders and troop committee members.

Public relations chairman, Mrs. Dorothy Wallen, said store windows in the downtown area will have displays for Girl Scout Week and celebration of the girls' 50th anniversary.

Mrs. Norma Anderson, chairman of the father-daughter outing in May, suggested a fishing trip to Bellwood. A discussion was held, but nothing was decided. Refreshments were served to about 30 leaders and troop committee members.

UNDERGOES SURGERY

Gregory Shewman, four-month-old son of Mr. and Mrs. George Shewman, 706 Twenty-sixth street, was released Sunday after spending two weeks at Children's Hospital, St. Louis for surgery.

The Sunbeam band of the Bethesda Baptist Church met Tuesday afternoon. The last lesson in the "Jesus Loves Me, Come Show My Love for God" Singing was held and paper dolls and clothes were made by each chorister.

Those present were Kathy Fitzhugh, Robin Smith, Norma and Lorrie McFerren, Jerry, Jackie and Bruce Jones, Jim Dumas and Sherry Porter, Donald Smith, Gene Fitzhugh and Mr. and Mrs. Carl Fitzhugh. Newest pupils were Karen, Kathy and Bill Parker and Anita Davis. The closing prayer was repeated together.

Scouts To Distribute
Bags For Used Clothing

Scouts of the Council Normal Boy Scouts will distribute Goodwill Industries bags Saturday for their fourth annual "good turn" for the handicapped of the metropolitan area. Leo Keeler, Unit director,狷告， announced that the drive is expected to net more bags of usable discarded than in any previous year.

Local officials said the 1961 campaign here netted enough bags to bring over 17,500 man-hours of work for the 400 people employed at the St. Louis plant.

Each cub, scout and explorer has eight bags to distribute to his friends and neighbors. The bags will be collected by the scouts Saturday, March 10, and taken to each unit's meeting place. Trucks from Goodwill will pick up the bags throughout the council area that day.

Heart Fund Drive To Reach \$6000

Heart Fund campaign contributions are expected to reach \$6000 when a final tabulation is completed. General Chairman Joseph Gottfried, who is commander of Tri-City American Legion Post 119, said the remaining amount to \$5128, of which \$3876 was collected by nearly 500 volunteer workers who participated last weekend. Headed today, the remaining \$1252 was received from business, organizations and special contributions.

No Raid Hearing Date

It may be next week or the following week before a hearing is scheduled for four defendants in a vice raid at the Alibi Lounge tavern, it was learned yesterday from Assistant State's Attorney John Gitchoff. Ample time is to obtain legal counsel, he said. The group of information with county liquor authorities will follow the hearing.

Gottfried said he expects this year's drive donations to top the 1961 campaign by 20%.

GO TO CHURCH SUNDAY

Brownie Troop 275 Tours Press-Record

Brownie Troop 275 of the Niedringhaus school, with the leader, Mrs. Ruth Bader and co-leader, Mrs. Alice Gottfried, toured the Press-Record offices and plant Monday afternoon.

In the group were Vickie Alleson, Debbie Balow, Cynthia Baran, Janet Wilson, Cynthia Ranft, Janice Jones, Cynthia Ezell, Karen Kuenstler, Angela Epperson, Colleen Gottfried, Diane Creek, Judy Conway, Diana Kuenstler, Sarah Hillmer and Cynthia Harris.

After the tour, the group was served soft drinks.

Park Board Purchases Benches, Picnic Tables

The Granite City park board is preparing for spring—removal of trees and shrubs.

Meeting Tuesday night, the board approved the purchase of a dozen new four-foot wooden park benches, 12 new barbecue grills, six additional metal framework picnic tables and a dozen new concrete park tables.

The new concrete tables will be placed near the flower gardens in Wilson Park. The remaining benches, tables and bar-

becue grills will be located in the park.

The board voted for an exchange of 52 playground horses of heavier construction than those used last year.

The exchange will be made at a cost of \$700.

Authorizing the purchase of a tree feeding unit—drill attachment to be mounted on a tractor. The apparatus drills holes in the ground near trees and inserts fertilizer. Cost will be \$140.

Trees to be removed

Dead and diseased trees along the State street side of Wilson Park are to be removed. The board's engineering committee stalled.

Granite City PRESS-RECORD

Thurs., Mar. 1, 1962 Page 23

Tolar To Confer With Davis On Sewer Break

Mayo Davis said yesterday he is to meet with Levee Board President Lawrence Tolar to discuss possible financial aid on a levee district installed Nameoki sanitary sewer line in the 3100 block of Aubrey Avenue where a second break was discovered Feb. 9.

Levee district engineers have been at the site with the city's engineering staff. A repair operation on a 15-inch trunk line was cleaned this week; and City Engineer David Johnston said the engineers also will be at the

site this afternoon when the closed-circuit television inspection of the sewer is to be undertaken.

The initial break last summer, also in the 3100 block, cost the city \$31,000 to repair.

The South Pole is sunnier than any other place on earth during the winter months, but 90 per cent of the rays are reflected by the ice.

Alderman Has Own Problems

Drainage Needs Outlined By Several GC Councilmen

Surface water drainage problems on both north and south sides of town called to the attention of Street Committee Chairman Estill Von Schmitt during Monday night's Granite council session, with a request for inspection and recommendations where possible.

However, Schmitt said it was unlikely he would be able to widespread drainage problems because the city does not own private property, not only because of the individual property owners must some of their own problems.

Schmitt, who lives at 2127 Fourteenth street, had announced an inspection program at the company's Alton bottling plant which will increase the current size by 19,500 square feet and make it one of the most modern in the nation.

Equipment in the plant is being fully renovated and modernized where ever possible, he said, and a new bottling and labeling device will be installed.

The improved facilities will enable the plant to handle over 130,000 bottles per day.

Locations Given

Requests for specific assistance in the city were made by Alderman Ford Johnson for two locations at the rear of eight to 10 homes. Tenth Avenue, between 30th and 31st streets, and 3600 block of Lydia lane and by Alderman Samuel Shackelford for the east end of the 2500 block of Eighth street.

Johnson said he realized the drainage problems were on private property, but he wanted the Street Committee to inspect the areas to determine what could be done and if the city could give any assistance.

"I'll be glad to go with you to inspect these places," Schmitt said, "and then I'd like for you to go with me to other sections of the city and see the same problems."

Alderman Arthur Wiezer also

had responded the request by Alderman Donald Partney for a study of repair needs at the 22nd street rear crossing, told the Street committee.

After determining what could be done and if the city could give any assistance,

"I'll be glad to go with you to inspect these places," Schmitt said, "and then I'd like for you to go with me to other sections of the city and see the same problems."

JP Berry Seeks Probate Nomination

A former Alton Democratic precinct committeeman, now a justice of the peace and Alton attorney George J. Berry has filed his candidacy for the Democratic nomination for Madison county probate judge in the April primary.

A former justice of the peace in the third district of Madison county, Berry served four years as a JP under the former system. He was master-in-chancery of the Alton court for five years and held that position to take office in the enlarged JP district last April. The third district is composed of Alton, Godfrey and Godfrey townships.

Berry, who has been endorsed by party committeemen in Alton and Godfrey, said if he is nominated for the present JP position so that a successor may be named at the November election without the expense of a special election.

A native of Alton, he attended Shurtleff College, the University of the South at Sewanee, Tenn., and gained his law degree from St. Louis University.

Other requests made to him included the removal of all railroad crossings for repairs and for a recommendation on a sidewalk along 21st street between Lee avenue and Oldham street, west of Alton.

Johnnie, his mother, had built a house which required him to sandbag his basement door and windows during rainstorms.

Johnson said he had planned to have an inspection along Rode avenue to determine costs for installation of curbs and sidewalks along one side of the street.

Other requests made to him included the removal of all railroad crossings for repairs and for a recommendation on a sidewalk along 21st street between Lee avenue and Oldham street, west of Alton.

He served three years in the U. S. Army in world war II in India and China, and in the latter country he engaged in the Chinese-American governments.

Upon his discharge, he was employed for a time as a teacher at the Alton High School.

On Sept. 1, he established the training classes for veterans.

He then entered private law practice, where he practiced for a time and then moved to private practice.

Married and the father of three daughters, Berry is a member of the Elks Club of Alton and other civic groups.

Gerald Purcell, 1601 Sixth street, has been assigned to practice teaching this semester at the New Franklin high school in Fayette, Mo., where he is a senior business teacher at Central Methodist College.

Purcell is a son of Mr. and Mrs. Gerald Purcell sr., of Madison.

He was called to Nonn's attention by Alderman Samuel Whitmer, that most of the requests were being made by Alderman who formerly were the "outs" and now are the "ins."

Supt. Trimpe Stresses
38 Years Experience

Madison County Supt. of Schools Wilbur R. L. Trimpe is this week officially marking his 38th anniversary in education, stressing 38 years experience in the field of education.

Trimpe holds a bachelors degree from Western Illinois University, a masters degree in school administration from the University of Illinois and has taught in the schools of the state, the University of Colorado. He has also served as an instructor at Western Illinois University, and at the University of Illinois, Urbana-Champaign, and at the University of Illinois.

His 38 years experience in educational endeavor includes teaching in the rural schools of Madison, Illinois, and as teacher at Forest City grade schools; principal of the Manito elementary schools; city superintendent of the Havana schools; administrator for Bethalto Community Unit 8 and three years in his present office as county superintendent.

A life member of the National Education Association, Trimpe also is a member of the American Association of School Administrators; the Illinois Association of School Administrators; the Illinois Association of Educational Administrators; the Illinois Association of Boys' Towns of Illinois; Kappa Delta Phi and Phi Delta Kappa.

Former Cage Officer

Trimpe is a certified official and worked several high school sectional basketball tournaments during his career as an official.

He was recently honored at a county-wide appreciation dinner Feb. 8 in Collinsville and was honored in 1958 with an appreciation dinner in Bethalto when the Wilbur Trimpe junior high school in his honor.

He is a past president of the Peoria Division, Illinois Education Association; Illinois Elementary School Principals Association; Havana Rotary Club; Bethalto Rotary Club; and the Madison County Chamber of Commerce.

Trimpe was born and reared on a farm in Mason City, Iowa, the son of Frank Wanta, a blacksmith and they have one son, Dale, who is married and is assistant principal and counselor at the East junior high school in Alton. His wife, Mary Anne, also is a counselor at the same school in Alton.

Trimpe is president of the Nashville Bloc of the Illinois

WILBUR R. L. TRIMPE

County Superintendents and is also a member of the executive board of the association.

He is a member of the Columbia City Boy Scout Council board of directors and is serving as organizational chairman; member of the advisory committee; member of the White House Conference on Children and Youth serving as a delegate on the county and state levels; a member of the committee to raise money for the construction of a crafts room and the home economics department.

Dedicated volunteers work in four of the nine classrooms and any one or more of the other projects. All phases are described as needed.

The work is to be financed from funds in the building account, augmented by funds for the new fiscal year beginning July 1. Completion of the work is scheduled for Sept. 1.

Local Churches To
Observe Blanket Sunday

The state-wide observance of "blanket Sunday" will be held Sunday, March 4, with a local church participating. It is sponsored by the Illinois Council of Churches.

Blankets of all sizes and kinds are to be used for home and foreign refugees.

Members are requested to take their contributions to their own churches from where they will be assembled at St. John United Church of Christ for distribution

Bids March 27
On Coolidge Jr.
High Additions

A call for general plumbing, heating and electrical bids on construction of additions to Coolidge junior high school was authorized by the Granite City school board Tuesday night. The bids will be publicly opened at 7:30 p.m. Tuesday, March 27.

Plans and specifications will be available beginning next Friday, March 6 at the office of Architects Henry Gabriel and Sylvester Dulgeroff, Inc., 1000 Third street.

Preliminary drawings were approved by the school board two weeks ago.

The additions planned for all four corners of the school include construction of a new cafeteria wing, expansion of the cafeteria, creation of a multi-purpose athletic room and erection of a crafts room dedicated to the home economics department.

Dedicated volunteers work in four of the nine classrooms and any one or more of the other projects. All phases are described as needed.

The work is to be financed from funds in the building account, augmented by funds for the new fiscal year beginning July 1. Completion of the work is scheduled for Sept. 1.

Follow SUU Outline

During a special meeting last Jan. 22, Dr. Seymour Z. Mann, who directed the preparation of the SUU report, explained it was not the intent of the SUU committee to meet all committees to discuss such a problem. Council members agreed Monday night that his suggestion that committees do not call meetings set dates in the same night, because conflicts. Afternoon and evening sessions will be scheduled.

LeMaster called for repair of city hall steps on the Edison Avenue side of the building, payment of a \$740 bill due on a roof repair, hill in Granite City high school teacher, Miss Ruthie Rushforth, the community named Ruth LeMaster to preside.

LeMaster called for requests

Council Decides To Return
To Three Sessions A Month

Regular council sessions will again be held on the first and third Mondays of each month. Granite City aldermen decided Monday night.

Since last spring, when the council adopted a committee arrangement outlined in the State school board resolution, no action has been taken on the fourth Monday, which had been reserved for a brief meeting and then adjournment for committee sessions.

The return to three full council meetings a month—on the first, third and fourth Mondays—was proposed Monday night by Alderman Donald Parikh, and the motion was agreed the city code should be amended.

Several aldermen in supporting Parikh's motion pointed out one of the chief complaints of the SUU committee structure was based on the fourth Monday committee sessions, with aldermen unable to attend all of the committees to which they were assigned.

Requests received from Teamsters Union Local 525 to repair in week agreed with the city were referred to the Street, Sanitation and Finance committees.

In the absence of Mayor Davis, who was attending a special program honoring a retired Granite City high school teacher, Miss Ruthie Rushforth, the community named Ruth LeMaster to preside.

Theatre Men Run Gamut Bach To Hammerstein

By JOHN McCABE MOORE

At this point and continued through the rest of the performance.

Mr. MacBane, in his Tosca solo, showed high polish and impressed everyone with the beauty of his voice.

A medley of familiar songs from the Student Prince inspired the audience to shout the great composer before intermission. The response of the men was the Riff Song from Romberg's "Desert Song."

First meeting of the group is set for Monday at 8 p.m. at the City Building, 1413 tenth street, when problems involving the well-being of the community in the event of an emergency.

Koenig said the council will be called upon frequently, and only when immediate problems of major proportions arise.

Dual purpose of the council is to advise and act on local CD organization on important policy decisions, Koenig said, but also to serve as a special committee for Mayor Davis, with responsibilities similar to other civic committees.

Members of the new council, whose appointments were announced by Mayor Davis, include George W. Schaeffer, C. E. Townsend, Edwin F. Reiske, Luther Rudder, Fred P. Schumacher, Leonard Cross, Carl A. Rant, Leonard Fleischman, Sam Pershall, Jr., Rev. Paul Surbeck, Andrew Gasparic Jr., Rev. L. J. Mattingly, Henry D. Karandoff, G. W. Hobsbaw and William L. Beatty.

Koenig Names New CD Advisory Council

An 18-man advisory council has been appointed by Granite City Civil Defense Director Victor H. Koenig to be called upon to assist the city in the event of an emergency.

Thurau Named To Culver-Stokton Honor Roll

Herbert Taylor Thurau, son of Mr. and Mrs. H. E. Thurau of 2599 Waterman avenue, has been named to the honor roll of the county road system. Illinois Attorney General William G. Clark has ruled.

If county roads are to be built by county, the county board for the contract, Clark's opinion said, and if they are to be built by county labor, the county board hires the labor.

In construction of the maintenance of county roads with tax funds, the opinion said, the county board would have to approve the engineer whom the county superintendent of highways designates to employ.

Where the statute provides that the county superintendent of highways shall perform certain duties, the county board cannot hire a private engineer to perform the statutory duties of the county superintendent of highways, Clark said.

In another new ruling, Clark held that the state is not financially responsible for replacement of damaged or destroyed county roads by a county council by a political subdivision which receives matching funds from the office of Civil Defense. Municipalities are responsible for costs on the political subdivision holding title to the equipment.

Clark ruled that a county board has the authority to hire the dental service for its mentally deficient residents. However, he held that such benefits cannot be extended by the board to include other individuals of varying degrees of mental illness or varying needs for medical treatment.

BEAUTIFUL DEL MAR... FROM THE LOOMS OF MOHAWK

Here's styling that harmonizes with any surrounding . . . colors to light your room! It's the kind of beauty you expect from Mohawk, the largest maker of carpet and rugs—and because it's Mohawk you know its beauty will last.

Del Mar is a dream to care for, too. You can wipe away most spills in seconds. Thanks to its rich pile of Acrilan® acrylic and modacrylic, Del Mar keeps its springy resilience even in heavy traffic areas.

Whether you're looking for wall-to-wall carpeting or a room-size rug, be sure to see Del Mar in our store before you make a decision. We'll be glad to show you how easy it is to have Del Mar in your own home.
